	for the delivery of the Products and Services shall be as stated above (hereinafter called "Lead Time") 4.2. In case the Vendor fails to comply with the Lead Time, Vendor undertakes to pay to EMIRCOM an amount equivalent to one percent (1%) of the total CONTRACT SUM for each week of delay up to a maximum of ten percent (10%). 5. Termination 5.1. This PURCHASE ORDER may be terminated by either Party in the event that: 5.1.a. The other Party fails to perform any obligation required to be performed under this PURCHASE ORDER for a period of fifteen (15) days after receipt of written notice from the other Party of such failure. 5.1.b. The other party becomes insolvent or makes an assignment for the benefit of its creditors, or a receiver or custodian is appointed for it, or its business is placed under attachment, garnishment or other process of winding up, involving a significant portion of its business, and such proceedings have not been cancelled within thirty (30) days from the initiation thereof. 5.2 Neither the expiry, the right to terminate nor the actual termination of this PURCHASE ORDER upon breach of any provision hereof shall limit either Party hereto from pursuing whatever relief it deems appropriate for such breach, in accordance with and subject to the limitations contained in the applicable laws. 5.3 EMIRCOM may at any time, at its own discretion and convenience, terminate all or any portion of this purchase order by giving the Vendor written notice. In the event that EMIRCOM exercises its right to terminate the purchase order, EMIRCOM shall pay to the Vendor the full price of all the products already supplied subject to end-users' confirmation of acceptance of products/services prior to the date of termination and this shall be considered EMIRCOM's sole liability and the Vendor' sole remedy in respect of this termination. 6. Confidentiality 6.1 During and after the continuance of this PURCHASE ORDER and for a period of three (3) years thereafter, each Party shall treat as confidential all information obtained or acquired by the other Party while rendering the services under this PURCHASE ORDER and shall use such Confidential Information (as defined below) solely in accordance with and for the purpose of this PURCHASE ORDER. 6.2 For purposes of this PURCHASE ORDER, "Confidential Information" shall include any and all confidential, proprietary or sensitive information of a Party, whether oral, visual or written. If any "Confidential Information" is disclosed to either Party orally or visually, it must be specifically noted as such by the disclosing Party prior to the initiation of the presentation or discussion and sent to the other Party as a written disclosure within (30) days thereafter. "Confidential Information" shall include without limitation information relating to released or unreleased software or hardware products, the marketing or promotion of products, business plans, practices or policies, and information received from others that a Party is required to treat as confidential. "Confidential Information" shall further include without limitation trade secrets, source code, object code, patents, inventions, firmware, designs, formulas, specifications, financial information and projections, lists of suppliers and potential suppliers, lists of customers and potential customers, equipment lists, employee lists, management methods, know-how, working methods, manufacturing techniques, operating techniques, and all manuals, documents, reports, spreadsheets, files, computer disks and tapes (whether machine or user readable) and other written or electronic information pertaining thereto. Confidential Information is also to be understood as all information which each Party has directly or indirectly acquired either from other Party, or from other third parties during the course of rendering the services in pursuance to this PURCHASE ORDER, pertaining to the other Party's activities, which were otherwise not in public domain. 7.
